A puppy for Peril would be great! I would say her name is Daisy. She's a tawny color, with button (half-floppy, half-pricked) ears. She'd have a cute shiny black nose and friendly brown eyes. She'd only weigh, like, 11 pounds, and, most importantly, should have fireproof skin. You know, because since Pyrrhia is in some other dimension they should probably have CREATURES with crazy FEATURES. So, yeah, some kind of weird black skin that absorbs heat or something and then, like, converts it into energy or whatever!

Clay might like a scavenger. One with to much personality to eat. :)

I would give Tsunami a pufferfish and name it " Riptide " like her ***boyfriend.***
I would give Winter a parrot and just have it mimic Quibli all the time and annoy him.

MWAHAHAHAHA!!!

Winter with either an arctic wolf or a polar bear(depending on if he would eat it or not).

I am a lone wolf.

A puppy for Peril

winterfrost328

Clay:A wild boar: Why? Boars especially love mud, and since Clay loves mud, a boar would be a perfect pet for him.

Tsunami: An electric eel: Why? Eels live in waters, and it would be the perfect pet for tsunami, because she has a “shocking” attitude, and electric eels can shock you, It’s just perfect!
Starflight:A monkey of some sort: Why? Monkeys are very smart, and since Starflight is, The Genius, a monkey and Starflight would really make a good pair.
Glory:A sloth: Glory has a pet sloth. Why? Glory sleeps A LOT! Sloths are also prone to sleep A LOT, so a sloth is perfect for Glory.
Sunny:A Horned lizard: Why? Horned Lizards are perfect for sunny, because they live in the desert and they are very strange. Sunny likes strange things, so she would love a pet Horned lizard.
Peril:A tortoise: Why? Tortoises can withstand temps turned up to 140°f, 60°c, and since Peril has too much fire, and can’t touch anyone or anything but Clay, if she accidently touched a tortoise, it wouldn’t die from a brush burn.
Scarlet:A Capuchin monkey: Why? Scarlet is royal and proud. Capuchin monkeys are very proud creatures like Scarlet. It would make a good pet.
Darkstalker:A Black Panther: Why? Black panthers lurk in the darkness, like darkstalker once did. One would surely help Dark-stalker gain power the world.
Clearsight:A lemur: Why? Lemurs are very smart, and would help Clearsight focus on the good things in life, not the bad things.
Anemone:A Ray: Why? A Ray is a very majestic creature, very mysterious, sometimes like Anemone. A good pet it would make.
Moon:A lion: Why? Moon wants to be the leader of her group. A lion will help her achieve her goal.
Quibli:A muskrat: Why? A muskrat is incredibly smart, like Quibli. It will help him get smarter and possibly learn a thing or two.
Kinkajou:A Toucan: Why? Yes, Kinkajou sometimes likes to sleep, but if her friends are on an adventure, she doesn’t want to miss it. A Toucan will help her locate them if they are far away, and it has a rainbow of colors, usually like Kinkajou.
Winter:A polar bear: Why? Winter can get very mean and aggressive, so can a polar bear. It can also Help fight other dragons since it does like to wrestle.
Blue:A cricket: Why? Crickets are really fun to play with, and Blue just seems to fit with a pet cricket
Io:A moth: Why? Io Is protective, and some moths bite, and I feel a connection with a moth and Io.
Cricket:A honeybee: Why? Honeybees are really smart, like Cricket, and she can learn a lot from them.
Swordtail:A Fire Bellied Toad: Why? Swordtail is a risk taker, and likes danger, and a fire bellied toad is a perfect match for him.
Luna:A Caterpillar: Why? Caterpillars spin silk, just like Silkwings, and Luna could have a no better pet.

That’s true, sloths are completely and totally adorable () but they also a kind of likely to be eaten by all tribes other than RainWings, and maybe NightWings. So I’d have a scavenger. (Pet Human, what a weird thought!).

I can't say which dragon can have which, but I know that Queen Scarlet would definately most likely have a pet tamed dragon bite viper to quard her treasure. Since my fav character is Glory and my name's Glory, I would have to say she is perfect with her sloth.

I vote that Sundew should have a sloth

I also vote that Wasp should have an entire hive of wasps

I *also* vote that Winter should have a female cat who hates everyone but secretly loves each other.

Can't Peril get Turtle to enchant a puppy to be fire-proof? Cmon boi!

Sandwings should have snakes
Skywings should have birds
Seawings should have ~~turtles~~ octopuses
Mudwings should have frogs
Icewings should have penguins
Nightwings should have... i dont know, bats?
Rainwings already have sloths

I can total see Cricket having a pet scavenger Oh and Winter having one too. Or Sunny having a pet Sloth! But Clay should have something really unappetizing(so he doesn't eat it!) Of course Turtle should have a turtle!
